- Lightweight - 17 lbs
- 6" sanding discs
- Short arm 5" nose depth
- Long arm 13" nose depth
- Easily convert from Short Arm to Long Arm as needed

Bona Machine

ELITE • FLEET

Bona® CombiEdge™

MISSION: Increase productivity and decrease hand sanding by reaching areas other edgers can't.

SKILLS: Includes easily interchangeable arms to meet any challenging edging need. Long arm provides excellent reach under deep toe kicks and radiators. Short arm can maneuver in tight, hard-to-reach areas.
